HHSC News & Notes

It is early in the new season and our club already has 196 members to date! There are now assorted munchies available at the clubhouse for donations to go along with the beverages in the fridge. Once snow comes and we see what the demand is for these snacks we may expand the variety or if you have a suggestion for something you would like to see available please contact an officer or come to the next meeting. We now have a dart board to go along with the pool table that is upstairs for member use.

The 2009-2010 Trail Maps will be printed soon. As in the past business card sized sponsorships are being sought for the new maps. A business card sponsorship is \$25.00. If you are interested please contact any officer.

We will also be seeking renewals from previous map sponsors for their continued support with the newest version of the map.

The HHSC Website has had a facelift, so if you have not been to the site in a while check it out!

Men's Fall Membership Party Review

The annual Men's Membership Party was held on Friday, November 13th. There was a great turnout and a good time was had by all that attended. The Club would like to thank Ithaca Recreation Sports and Glider City Cycles for the items they donated for the door prizes and raffles. We would also like to thank everyone that helped with set up, shopping for supplies, cooking, and all the little things that made this event a success!

Trail Work Bee – Sunday, December 27th 2009

Anyone interested in helping to put up trail signs is invited to meet at the clubhouse at 8am. Cordless Drills, digging bars or some form metal rods will be needed to break through the ground if it is frozen. The trails will not officially open if the signage is not up, so any help you can give is appreciated.

Upcoming Events

The first Poker Run will be Sunday, January 24th 2010. Sign up is from 10am to noon. More to follow in the next Newsletter or check the Website.

Lasagna Dinner

There will be a lasagna dinner Tuesday, January 5th at 6pm at the Clubhouse. This is a fundraiser for the long overdue replacement of the downstairs floor. With your support and funds raised from past dinners we can get

The new flooring to go with the facelift the clubhouse received last year!
